### Safe Haven Program

**Are you afraid or don't want to keep your baby?**

**Do you just want someone to give your baby to, keep it safe, and make sure your baby gets a good**

baby gets a good home?

You have options. Arizona has the **Safe Haven Law** that identifies places where mothers can safely and anonymously give up their babies without fear of prosecution. We have a Safe Haven crisis response team available to assist you with questions, options and resources, 24/7. Call 1-866-707-2229.

If your baby is unharmed, is under 72 hours old and you don't intend to reclaim your baby, you have options! Simply bring your baby to the Safe Haven locations:

**Any Hospital  
Any Ambulance  
Any Designated Adoption Agency  
On-duty Fire Stations  
Any Designated Church**

You must hand your baby to a person at above locations or may place baby in Safe Haven drawer at designated hospitals. Tell them this is a safe haven baby and you may leave. Your baby will be cared for and a good home will be found for the baby.

Donations of bottled water needed! Glendale Fire Department is teaming up again this year with Visit Glendale to collect bottled water donations for distribution through Heat Relief Stations to the most vulnerable populations in the region to stay hydrated and healthy.

Donated water will be accepted 10 a.m.-5 p.m., Monday through Saturday, at the Glendale Visitor Center, Suite 140, 5800 W. Glenn Dr., and at all Glendale Fire Department stations.

Employees to lend a helping hand Glendale Parks employees have taken the Heat Relief Network humanitarian cause further by providing mobile hydration assistance for

people needing water. On days that the National Weather Service issues an extreme heat advisory, Glendale Park Ranger and maintenance vehicles are loaded up with coolers filled with ice-downed water bottles to hand out to people in need when encountered in City parks.

### **Important tips to avoid heat-related illness:**

- Increase fluid intake, regardless of activity level. Staying hydrated is extremely important. Limit exercise or outdoor activity between the hours of 11 a.m. and 3p.m.
- When outdoors, wear a sunscreen with a minimum SPF 15 and reapply often.
- Wear a hat, lightweight clothing and sunglasses.
- Rest frequently in shady or cool areas to give the body's temperature a chance to recover and cool down.
- Never leave infants, children or pets inside a parked vehicle.
- Check on elderly neighbors to make sure their air conditioning is working and in use.
- Take advantage of free air-conditioned spaces by visiting shopping malls, libraries, or other heat refuge locations.

Heat Relief and water bottle collection location maps are available at all Glendale libraries and community centers and online at <http://www.azmag.gov/heatrelief>. For additional information on regional heat relief efforts, please contact Celina Brun, Maricopa Association of Governments, at 602-254-6300 ex. 5130.

### **Tohono O'odham Nation Revenue Sharing**

In 2002, Arizona voters passed Proposition 202 which allowed for the continuation of limited Indian gaming on tribal lands in Arizona. Under Prop. 202, Arizona tribes agreed to share a portion of their revenues with the State of Arizona. Of the revenues shared, 12 percent is made available to cities, towns, or counties for a purpose whose benefit is to the general public through either direct distribution to the local governments or in the form of a deposit to the State of

Arizona's Commerce and Economic Development Commission's Local Community Fund.

For its 2016 revenue sharing, the Tohono O'odham Nation has chosen to contribute directly to local governments. In addition, non-profit organizations may work with local governments to qualify for the funding available from the Nation. Therefore, the Tohono

O'odham Nation is seeking Requests for Funding Proposals from Arizona cities, towns, counties, and non-profit organizations.

These proposals must address one of more of the following priority areas:

- a) Education
- b) Health Care
- c) Public Safety
- d) Child Advocacy
- e) Economic Development
- f) Cultural & Environmental Development and Protection

For information on proposal guidelines and how to deliver a proposal, please contact the Tohono O'odham Executive Office at 520-383-2028.

**The next Council Meeting will be June 14th at  
6pm.**

**Myrtle Avenue Improvements - Safe Routes to School Project**

## **Myrtle Avenue, 65th to 63rd Avenues (Westbound Only)**

### **On the Site**

The contractor has paved the north side of Myrtle Avenue between 66th Drive and 63rd Avenue. Currently, construction crews are installing concrete curb, gutter, sidewalk, and driveway entrances on the south side of Myrtle, between 65th and 63rd avenues.

### **Road Closure Update**

The contractor has switched - and is maintaining eastbound traffic - onto the new asphalt on the north side of Myrtle Avenue.

### **Myrtle Avenue remains closed to westbound traffic between 63rd and 65th avenues for roadway improvements.**

The contractor is providing access for residents, businesses, Glendale High School, school buses, Glendale Urban Shuttle (GUS) and emergency vehicles via eastbound Myrtle Avenue. Please allow extra time when traveling through the construction zone as there will be traffic delays. Glendale and 67th avenues may be used as an alternate route. Westbound Myrtle Avenue will reopen by 6 p.m., Friday, July 29, 2016. If you have questions about access during the closure, please call the construction hotline at (602) 264-6416.

### **Driveway Restrictions**

Crews will be installing driveway entrances on the south side of Myrtle Avenue, between 65th and 63rd avenues. As a result, driveway access will be restricted at times. The contractor will coordinate with residents who will be impacted by the construction improvement.

Thank you for your patience and cooperation during this improvement effort.

### **Construction Ahead**

The Arizona Department of Transportation (ADOT), in partnership with the city of Glendale, is installing sidewalks, driveway entrances and storm drain improvements on Myrtle Avenue between 62nd Avenue and 66th Drive. When complete, the project will provide continuous sidewalks for pedestrians and for children walking to area schools in the neighborhood.

The construction is slated for completion in August 2016. Work hours are 6 a.m. to 6 p.m., Monday through Friday. Crews may work evenings and weekends, if needed.

### **For More Information**

If you have questions about the project or need special assistance, call the 24-hour construction hotline at (602) 264-6416.

This project is funded, in part, by a Federal Highway Administration Safe Routes to Schools grant. <http://www.glendaleaz.com/improvements/>
